SOFT SKILLS

- Teamwork
- Time Management
- Leadership
- Effective Communicatin

TECH SKILLS

- Python (Intermediate)
- Java (Intermediate)
- C++ (Intermediate)
- Data Structures
- Operating System
- SQL, MySQL
- Microsoft Excel
- Microsoft Office

LANGUAGES

- English (Fluent)
- Kannada (Fluent)

PROFILE

Motivated and detail-oriented Computer Science student with a strong interest in Artificial Intelligence and software development. Skilled in Python programming, problem-solving, and basic machine learning concepts. Experienced in developing academic projects such as a multi-language voice converter. Eager to learn new technologies and contribute to innovative and impactful solutions in a dynamic work environment.

EDUCATION

Bachelor of Computer Application 2023 - 2026
Government First Grade College, Tiptur
CGPA:7.81/10

PROJECTS

Multi Language Voice Converter Using Python JUNE 2029 - JAN 2030

The Multi-Language Voice Converter is an intelligent system developed using Python that enables users to convert spoken language from one language into another in real time. This project integrates speech recognition, language translation, and text-to-speech technologies to provide seamless communication across different languages.

Technologies Used: *vs code,*

EXPERIENCE AND ACHIVEMENTS

Working as Intern in AIKSHETRA TECH SOLUTIONS PVT LIMITED

Certification of Generative AI Content Creation in 2025
